Phaser 4600 / 4620

Monochrome Laser Printer

Superior office productivity
With best-in-class print speed

Print more in less time.

The Phaser 4600 / 4620 meets your productivity challenge with best-in-class print speed at a value price, giving your workgroup heavy-duty reliable performance – page after page, year after year.

Engineered for workgroup demands

Your business relies on speed and flexibility, and your new Phaser 4600 / 4620 laser printer offers world-class print speeds that don't sacrifice quality.

- **Higher performance.** A fast print speed of up to 62 ppm keeps your work moving.
- **Quick output.** See your first page in as few as 7.8 seconds.
- **See the difference.** With enhanced image quality of up to 1200 x 1200 dpi, your documents show exceptional sharpness and clarity.
- **Built to last.** With a monthly duty cycle of up to 275,000 prints, the Phaser 4600 / 4620 is all about heavy-duty production.
- **The quiet partner.** Engineered for extra quiet operation to minimise impact on busy offices.

Your prints, your way

Get a huge variety of print options with the Fuji Xerox Phaser 4600 / 4620.

- **Keep it simple.** The easy-to-understand front console and automated setup will get you printing in minutes.
- **Print on almost everything.** The Phaser 4600 / 4620 easily handles everything from transparencies to cardstock, envelopes to labels.
- **More paper, more options.** Load the main tray with up to 550 sheets of paper ranging in size from 98 x 147mm to a full legal-size (215.6 x 355.6mm)
- **Automatically staple up to 50 sheets.** The optional 500-sheet finisher further extends the Phaser 4600 / 4620 printer's productivity.
- **Manage complex documents easily.** Get standard memory capacity of 256MB or the optional expansion to 768MB.

Help your budget and the environment

Your savings never end with the Fuji Xerox Phaser 4600 / 4620. Cost effective from the start, it continues to keep costs down with sensibly green conservation options.

- **Cut your paper consumption in half.** Highly efficient, no-hassle two-sided printing saves money and paper.
- **Extend your paper conservation.** N-up printing lets you group multiple pages on a single sheet.
- **Lower monthly energy bills.** The Phaser 4600 / 4620 supports the highest ENERGY STAR® standards for power-saving.
- **Replace only what you've used.** Our consumables let you get the most out of every user-replaceable component.
- **Waste less.** The long-life marking drum lasts longer and requires fewer replacements.

WxDxH:
476 x 541 x 420mm

Leading the way on innovation. You need a print solution that complements the way work gets done in today's fast-paced office environments. The Fuji Xerox Phaser 4600 / 4620 leads the way, with innovative features that simplify office life and ensure your sensitive documents stay secure.

Take-charge network printing

Extend document control across the network with enterprise-level features.

- **Easy connections.** You get built-in support for Ethernet 10/100/1000Base-T networks.
- **Manage key printer features from your desk.** CentreWare® Internet Services provides helpful user interface for easy remote management.

Protect business-critical information

You'll reduce potential security risks with the industry-leading security features in the Phaser 4600 / 4620.

- **Implement the strongest security options available.** Built-in support for IPv6 and IPsec comes standard.
- **Keep unauthorised eyes from sensitive documents.** The Image Overwrite feature completely removes unneeded data from printer storage.
- **Protect active documents.** State-of-the-art hard disk encryption safeguards the documents you save in the printer's memory.
- **Print securely.** Secure Print holds private print jobs in the queue until they're released at the device by the job owner.
